Inspection Defect Log			
Defect #	Description	Severity	How Corrected
1	Hovering over "Play" in Navbar renders text invisible	Low	Removed Background color change. Now text changes color to indicate
2	All Bootstrap files were being loaded from their CDN webpages. Losing internet connection makes testing impossible visually	Low	Copied all relevant Boostrap Distribution files into the Repository
3	Bug in the Navbar section of HTML pages caused all pages to route to chessboardjs.com because of a base href in their integration	High	Removed the Base Href and just copied full link address for relevant files/ links
4	Almost all HTML pages were labeled as falsely due to them being created from a Bootstrap Template	Low	Corrected the <title> tag of the pages
